JOIN OUR TEAM! As of now we are looking for a Krakow based or home-based (PL)

Clinical Research Associate (m/f/d) full-time

Why work @ MONIPOL?

- ✓ A role in which you carry a lot of responsibility, design processes, and contribute your own ideas
- ✓ An internationally and culturally diverse team passionate about making the world a better place and advancing science through clinical research
- ✓ Great perks (autonomy, flexible working hours, hardware budget, and team events)
- ✓ Competitive salary as well as an excellent opportunity to make a difference and shape the future of our company!

What does the Clinical Research Associate do?

You will be tasked with the day-to-day Clinical Trial operations of our company, including:

- ✓ Organizing and performing site qualification, initiation, periodic and close out visits according to applicable (Sponsor's, CRO's or site's) SOPs, regulations and principles of Good Clinical Practice
- ✓ Cooperation with Regulatory Department
- ✓ Maintenance of all trial-related files and documents in accordance with clinical trial requirements
- ✓ Communication with Sponsor, vendors and investigators (site management); coordination of investigator's meeting
- ✓ Participation (if applicable) in preparation and review of study documentation e.g. draft protocols, CRF, monitoring guidelines
- ✓ Training of new CRAs in study-related documents and company processes

What do we expect?

We look for driven individuals willing to go the extra mile to build a great company!

If you don't meet all the criteria below but are interested in the job, please apply nonetheless. Nobody checks every box, and we're looking for someone excited to join the team!

- ✓ Degree in Life sciences, Medicine or related areas and at least 2 years' experience in monitoring
- ✓ Ability to work with other departments and project teams, capacity to develop and maintain positive relationships at work and with internal and external clients
- ✓ Strong organizational skills, ability to work under time pressure, to prioritize work, and to perform tasks in a dynamic and ever-changing environment, pro-activity, ability to work independently, decision-making skills
- ✓ Current driving licence and willingness to allocate 50% of working time for travelling
- ✓ Very good command of written and spoken English; computer skills
